Location: Affton Plaza, 9325 Gravois Rd., St. Louis, MO 63123

- **Company Description**

- Barrel Blends is a Wine & Spirits store that specializes in providing customers a clean, high-end place to shop with a large product selection, and excellent customer service.
- Our knowledgeable staff provides a high energy, fun, and clean environment for the customers to shop. They also help customers locate, identify and select desirable products based on their flavor profile.
- We use a state-of-art Point-of-sale (POS) system to keep our inventory (over 5000 products/SKUs) and product description highly organized and searchable, at all times.
- Barrel Blends also provides options for delivery and order pickups.
- As a part of our commitment to employee and customer education, we conduct numerous events every month including tastings, classes, raffles, etc.
- We are seeking a capable and energetic individual for the position of cashier who also provides great customer service/interaction.

- **Duties**

- Open/Close: Either Open or close store if required, as trained.
- Clean up: Once per day take out empty boxes, vacuum the floors, clean tables/counters, and bathroom. Clean up any occasional breakage.
- Stocking: Work with the manager/other cashier to stock and face products on the right shelves, cooler or storage after delivery arrives.
- Customer Service: Greet and guide customers through the store to find products and make appropriate recommendations. This may require approaching customers on the floor and walking around to find products for them. Fill up growlers from kegerator, promote products, and guide customers through flavor profile.
- Promotions/Events: Assist with setup of weekly tasting, classes, etc. and offer product tastings (pour wine/spirits/beer) to customers.
- Checkout: Check out customers on the POS systems and add customers to rewards programs. Bag products and carry to the car if needed.
